

What It's Like To Be Me

Britney Spears

[Justin:]

Do you know what it's like?
C'mon, C'mon

[Britney:]

Baby Tell me
Do I...

Look like the kinda girl
That you wanna take me home
Wanna make me your own
Do you even know what I like
Just what I'm living for,
What I adore
Baby, take the time to realize I'm
not the kind to sacrifice
The way I am
So if you wanna be my man (baby)

[Britney & Justin:]

Walk a mile in my shoes
Do me right or I'm through
Can't you see that
If you wanna stay around (Iâ€™m telling you)
Youâ€™ve got to figure me out
Take your time or you lose
This is my game, my rules
And I can see, obviously,
Baby You don't know
What It's like to be me

[Justin:]

Do you know what its like?
Do you know what its like?

[Britney:]

Don't you get it twisted boy
I want you too
But you got my heart to win
Before I let you in
And this deceives you baby

I'm not the average lady
I need someone to love

Baby, take the time to realize I'm
not the kind to sacrifice
The way I am
So if you wanna be my man (baby)

Walk a mile in my shoes
Do me right or I'm through
Can't you see that
If you wanna stay around (Iâ€™m tellin you)
Youâ€™ve got to figure me out
Take your time or you lose
This is my game, my rules
And I can see, obviously,
Baby You don't know
What It's like to be me

Baby, Get to know me
Then you can show me
that you love for me is true
Iâ€™ll give you everything
That a girl can give
Don't you wanna be my man?

Walk a mile in my shoes
Do me right or I'm through
Can't you see that
If you wanna stay around (Iâ€™m telling you)
Youâ€™ve got to figure me out (Youâ€™ve got to figure me out baby)
Take your time or you lose
This is my game, my rules (This is my game)
And I can see, obviously,
Baby you don't know
What It's like
(No No You Donâ€™t)

(Breakdown)

Walk a mile in my shoes
Do me right or I'm through (This is my game baby)
Can't you see that
If you wanna stay around
Youâ€™ve got to figure me out (Youâ€™ve got to figure me out)
Take your time or you lose

This is my game, my rules
And I can see, obviously,
Baby You don't know
What It's like (to be me)
