Sentimental

Anthea

Sentimental
In better days
Those games we played
I hope she knows the side of you
That you never showed
You had mine and I had yours
In way too deep
To be taking scores
Do you get a lot
From my pictures you got
But it's over now
It's over now
I don't hurt no more
I don't hurt
No more
But it's better now
You made mistakes
I made them too
And just for you
I hope she knows
That lovin' you is hard to do
And the things I did
Does she do them too
Could she handle your secrets
Like I do
The letters I gave
For nighttime you'll save
But it's over now
It's over now
I don't hurt no more
I don't hurt
No more
But it's better now
But it's better now
I don't hurt no more
I don't hurt
No more
But it's better now
