

Do I Worry?

Giuliano Palma & the Bluebeaters

Do I worry cause you're stepping out
Do I worry cause you got me in doubt
Though your kisses aren't right, do I give a bag of beans
Do I stay home every night and read my magazine
Am I frantic, cause we lost that spark
Is there panic when it starts turning dark
And when evening shadows creep, do I lose any sleep over you
Do I worry, you can bet your life I do
Do I worry when the iceman calls
Do I worry if Niagra Falls
Though you treat me just like dirt
You think I give a snap
Are my feelings really hurt
When you're sitting in somebody else's lap
Am I curious when the gossip flies
Am I furious bout your little white lies
And when all our evenings end
Cause you got a sick friend that needs you
Do I worry, honey, you know dog gone well I do
Am I frantic, cause we've lost that spark
Is there panic when it starts turning dark
And when evening shadows creep
Do I lose any sleep over you
Do I worry, you can bet your life, I do
