

The Wretched

Attack Attack!

There's somebody else inside my head
And he's telling me to give up, he's telling me to give up
I'm being taken down from the inside out
I think I'm gonna die here I need you now when nothing's making sense This song is not my perspective
There's something wrong with me,
I can't seem to agree I've faced the facts you laid,
My life, my life will never be the same
There's no time to make a change
I'm hopeless, I'm broken, I'm painted bruised and bleeding
Oh God, where are you now I need you now when nothing's making sense This song is not my perspective
There's something wrong with me, I can't seem to agree
And I know is this what you're thinking
There's something wrong with me, I can't seem to agree (I've put it all on the line for you)
(I've put my life on the line for you) I've put it all on the line for you
I've put my life on the line for you
I've put my life on the line for you
So why did you say goodbye to me This song is not my perspective
There's something wrong with me, I can't seem to agree
And I know is this what you're thinking
There's something wrong with me, and I can't seem to agree
(I can't seem to agree)
