

B L I

Blizzard

(4944)So who am I?

Call me B L I

If you say you don't rate what I do

That straight up be a lieSo who am I?

Call me Blizzard then hate

I beOK this spraying ain't over yet

So please make way for my set

(4945)Maybe I don't make enough money

But I'd rather make change over debt

I'm still getting it but what you do is separate

Ain't no disrespect

From East??? down to East Ham

From Stockport down to Stockwell

I jump on stage with arms bare

And show guns like I'm RockwellStill vybzng in the same trainers

Tweets from so many different haters

Just finished my live PA, laters

(4946)

I provide all this torture

That's why I'm labelled as a distorted authorI wrote in from the get go

Put an EP out 'cause I said so

When it topped the charts I was dead, yo

People wondering where did my head go?(4947)

Still roll with the animal crew that man handle rappers like you

I'm more direct than a straight line

Still murder the beat when I make Grime

I'm Bliz, the only MC that's old school

And new school at the same timeSo who am I?

Call me B L I

If you say you don't rate what I do

That straight up be a lieSo who am I?

Call me Blizzard the great

I'll prove I'm A R D like

The last three letters of my name with little debateI thought I was in a dream then I pinched myself

And I was there with the bud and a grinder

Feeling alone 'cause I killed every MC

That I personally know in a cypherClimbing my way to the top in the hierarchy

I'm a certified fighter

So hot I could start a bonfire

Without a match or a lighter(4970)

Every bar I spit I hammer home

(4948)I stand here without a regret

'Cause nobody's posing a real threat

I'm testing the water daily

That's the only way you could ever call me wetDon't hate me 'cause I'm in London

More than the damn Prime Minister

(4971)

And I say "don't push me, I'm sinister"You will never make the cut, but I will

I'll apply bleach and vinegar

Just to witness the excruciating pain

I'm giving yaI might be nineteen but I'm horrible

For the death of the game I'm responsible

Zipped it up, sent it to the hospital

You man are sook 'cause I called you a popsicleOn the riddim I be giving them violence

Give me them lyrical???

You know that my spitting is the finest

I killed this beat in no fear, here's a minute of silenceSo who am I?

Call me B L I

If you say you don't rate what I do

That straight up be a lieSo who am I?

Call me Blizzard the great

I'll prove I'm A R D like

The last three letters of my name with little debateSo who am I?

Call me B L I

If you say you don't rate what I do

That straight up be a lieSo who am I?

Call me Blizzard the great

I'll prove I'm A R D like

The last three letters of my name with little debate
