Don't Die In Me (Bryce Panic)

Mirah

The mighty continents divided
For a second time in all history
They found themselves just floating
Free from all responsibility
Without the weight of being whole
Some flew seaward all on their own
But if you want something back
All the things that got cracked
When i felt like you lied to me
And all the million mistakes
And the kicks in the face
But i don't want you to die in me
So when you say what you want
That you need what you got
Don't forget to be kind to meNow here's an apple with a tougher skin
While you've got your pretty scales and fins you say
See all the things that i can do
So perfectly my body grew but inAll the time you felt so free
Did you forget how much you once loved me
And if you want something back
All the things that got cracked
When i felt like you lied to me
And all the million mistakes
And the kicks in the face
But i don't want you to die in me
So when you say what you want
That you need what you got
Don't forget to be kind to me
I don't want you to die in me
