For The Streets

Bone Crusher

This is for the streets babe
It'll blow ya damn mind
Baby, whoa oh oh
You know I'm, you know I'm hot
I'm not disrespected for the name I got
Food a man need to eat
I dedicate this song for the streetz , called in sick
I'm always in the streets wit my chick
You know I'm, you know I'm hot
I'm not disrespected for the name I got
Food a man need to eat
I dedicate this song for the streetz, called in sick
I'm always in the streets wit my chick
This is for the streets babe
It'll blow ya damn mind
Baby, whoa oh oh
This is for the streets babe
It'll blow ya damn mind
Baby, whoa oh oh
This is for the streets babe
It'll blow ya damn mind
Baby, whoa oh oh
This is for the streets babe
It'll blow ya damn mind
Baby, whoa oh oh
