

In Passing

Company Of Thieves

One time
We were
In passing
I watched
The future
Swirling 'round, around my head
And this is how it went You and I both alone sat
Waiting in lines too long to comprehend
We both sat waiting in lines
For the rest of our lives You-whooo-ooooh Forever and after we went on forever One time
You were
Inhaling
I saw
The smoke went
Whirling 'round your heedless head
You bore me to my death You and I both alone sat
Waiting in lines too long to comprehend
We both sat waiting in lines
For the rest of our lives You-whooo-ooooh Forever and after we went on forever I prefer to sleep alone
I prefer to stay right here
Don't come searching
I prefer the windows up
I prefer the fresher air
And for the record You-whooo-ooooh Forever and after we went on forever
And after we went on forever
And after we went on forever
