

See the Man Run

G.B.H.

See the man see him run,
where's he going where's he coming from ?
What's he carrying under his arm ?
Stay away it'll do you harm. See the man run. Why's he sitting in the dark ?
Who's he meeting in the park ?
Who's he calling .. on the phone ?
Counting out cash all alone. What's in the box being wrapped ?
Why's his phone being tapped ?
Under surveillance every day.
Special branch got nothing to say.
