

# Slipping Away (Axwell Vocal Mix)

Moby

All that we needed was right  
The fresh hold is breaking tonight Open to everything happy and sad  
Seeing the good when it's all going bad  
Seeing the sun when I can't really see  
Hoping the sun will at least look at me Focus on everything better today  
All that I need and I never could say  
Hold on people that slipping away  
Hold on to this while it's slipping away All that we needed tonight  
Are people who love us and like  
I know how it feels to meant  
Oh and we leave here, the seas Open to everything happy and sad  
Seeing the good when it's all going bad  
Seeing the sun when I can't really see  
Hoping the sun will at least look at me Focus on everything better today  
All that I need and I never could say  
Hold on people that slipping away  
Hold on to this while it's slipping away So long  
So long Open to everything happy and sad  
Seeing the good when it's all going bad  
Seeing the sun when I can't really see  
Hoping the sun will at least look at me Focus on everything better today  
All that I need and I never could say  
Hold on to people that slipping away [Repeat: x14]
