Be Loved

Christy Nockels

have you ever let yourself be loved by the one who made you
have you ever told your soul to believe that his heart is on your side
you could even try to run away but there is nothing you can do
so just be loved, be loved, he loves you
just be loved, be loved, he loves youhave you ever let yourself be held by the one who holds this world
have you ever told your soul to rejoice that his arms are open wide
you could even try to run away but hed come running after you
so just be held, be held, he holds you
just be held, be held, he holds youwe didnt earn it, he just chose to give it, and its in our resting that we rise up
singing rejoice, again I say rejoice
rejoice, again I say rejoiceyou are loved, be loved, he loves you
you are loved, be loved, he loves you
