Help Me Thru the Night

Joe Walsh

Somewhere along the way I found the meaning
Woke up dreaming along the way
Never quite seems the same when you awaken
And makin' up for the time is such a price to pay
Then they take your dream away and it just ain't fairHelp me thru the night, mama
Help me ease the pain
And tell me it's alright
Help me thru the night once againThat's the danger in pretending
Trying to defend yourself from someone else's war
Don't know what they're fighting for
And they just don't careSo help me to see the light, mama
Open my eyes again
And tell me it's alright
Help me thru the night once againWould you help me?
Could you help me?
