

# The Good Life

## Urban Verbs

Oh, the good life, full of fun  
Seems to be the ideal  
Mm, the good life lets you hide  
All the sadness you feel  
You won't really fall in love  
For you can't take the chance  
So please be honest with yourself  
Don't try to fake romance  
It's the good life to be free  
And explore the unknown  
Like the heartaches when you learn  
You must face them alone  
Please remember, I still want you  
And in case you wonder why  
Well, just wake up  
Kiss the good life, goodbye
