Before You Accuse Me

Eric Clapton

Before you accuse me, take a look at yourself
Before you accuse me, take a look at yourself
You say I've been spending my money on other women
You've been taking money from someone elseI called your mama 'bout three or four nights ago
I called your mama 'bout three or four nights ago

Mama said, "Son

Don't call my daughter no more Before you accuse me, take a look at yourself
Before you accuse me, take a look at yourself
You say I've been spending my money on other women

You've been taking money from someone elseCome back home baby, try my love one more time

Come home, back home baby, try my love one more time

If I don't go on and quit you

I'm gonna lose my mindBefore you accuse me, take a look at yourself
Before you accuse me, take a look at yourself
You say I've been spending my money on other women
You've been taking money from someone else
