Want Some, Need Some

Poison

All my friends have someone
I need someone too
Someone to hold the whole night throughI need a lover
Someone like you
Someone to make my dreams come trueMaybe if I close my eyes, no
Everything will be alright
'Cause I don't wanna be alone
No more, babyI want some
I need some
Anybody, somebody
Someone custom built for me
I want some
I need some
Whole lotta lovin' satisfaction guaranteedI wake in the mornin'
And wrap my arms around no one
Well that no one could be someone meant for meSo I jump out of my bed
And throw my hands on my head
And scream I need a lover just for meMaybe if I close my eyes we"
Everything will be alright
'Cause I don't wanna be alone
I know that babyI want some
I need some
Anybody, somebody
Someone custom built for me
I want some
I need some
Whole lotta lovin' satisfaction guaranteedI want some
I need some
Anybody, somebody
Someone custom built for me
I want some
I need some
Whole lotta lovin' satisfaction guaranteedI want some
I need some
Anybody, somebody
Someone custom built for me
I want some
I need some
Whole lotta lovin' satisfaction guaranteedI want some

I need some
Anybody, somebody
Someone custom built for me
