

# Seven Lonely Streets

## Atomic Rooster

Seven Lonely Streets, Walking All Alone.  
Never Needing No One, Always On My Own.  
Since I Left The World, To Live My Own Way,  
    People I Don't See, No One's In My Day.  
    In My Sleep I hear, But My Eyes Can't See  
        Photos Of My Past, Of My Life To Be.  
    Ear Faced To The Wind To See All I Can Hear,  
The Days Would Be So Long, Seven Streets I Fear.  
Seven Lonely Streets I'm Walking All On My Own.  
Seven Days I Weep, Oh All Alone, So All Alone.  
    Seven Lonely Streets, On My Own.  
    Seven Lonely Streets, Walking All Alone.  
Never Needing No One, Always On My Own.  
Since I Left The World, To Live My Own Way,  
    People I Don't See, No One's In My Day.  
    Seven Lonely Streets, I'm Walking All Alone.  
    Seven Days I Plead, All On My Own.
