God Will Make A Way

Stan Whitmire

God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for meHe will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a wayOh, God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for meHe will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a wayBy a roadway in the wilderness, He'll lead me
And rivers in the desert will I see
Heaven and Earth will fade but His Word will still remain
And He will do something new todayOh, God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for meHe will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a wayBy a roadway in the wilderness, He'll lead me
And rivers in the desert will I see
Heaven and Earth will fade but His Word will still remain
And He will do something new todayOh, God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for meHe will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a wayWith love and strength for each new day
He will make a way, He will make a way
