

Rock in a Hard Place (Cheshire Cat)

Aerosmith

It was a take it or leave it kinda Saturday night
I wish I could love you till the cows come home, make it right
If it's a make believe I say it ain't, tell ya then
Cause if it's a dream I'm in please wake me up and start againOoo, close your eyes and what do you see
Ooo, look over how you could do with your only beliefShe was a real tight manner
Lies in over navver
Hard core biloozy
Late nine t'fiver
Her second hand clothes
Smiling like a Cheshire catSaid it was in and out and up and down the urchin moon
Baby a certain situation on a sea I'm who
Wasn't a ring around the roses pull a daisy chain
Not with your head could tell me you ain't from there and back againOoh close your eyes and what do you see
Ooh another but how what they dud with your only believe in meShe was a real tight manner
Lies in off a laughter
Hard core floozy
Late nine to fiver
Her second hand clothes
Smilin' like a Cheshire CatGive a good one, I want to be or not to be tonight
Why should I hold her down in bed when you should ride me right?
Why should you give it all you got, now mid's a make amends
Boy you'll never mind your marker and drive the bendsOoh close your eyes and what do you see
Ooh another but look what they do with your only believe in meShe was a real tight manner
Lies in off a laughter
Hard core biloozy
Late nine to fiver
Her second hand clothes
Smilin' like a Cheshire CatA real time manner
Lies in off a laughter
Hard core floozy
Late nine driver
Smilin' like a Cheshire Cat
