

# Wasted

## Circle Jerks

I was so wasted  
I was so wasted I was a hippie, I was a burnout  
I was a dropout, you know I was out of my head  
And I was a surfer, I had a skateboard  
I was so heavy man, you know I lived on the strand I was so wasted  
I was wasted  
I was so wasted  
I was wasted I was so fucked up, I was so screwed up  
I was so jacked up, couldn't get any higher than that  
And I was so pillled up, I was so nebbled out  
I was so jacked up, I was out of my head
