

C'mon Billy (iTunes Session)

PJ Harvey

C'mon Billy
Come to me
You know I'm waiting
I love you endlessly C'mon Billy
You're the only one
Don't you think it's time now
You met your only son? I remember
Lover's play
The car was cold and
We lay in it for days I remember
The things you said
My little billy
Come to your lover's bed Come home is my plea
Your home now is here with me
Come home to your son
Tomorrow might never come C'mon Billy
You look good to me
How many nights now
Your child inside of Don't forget me
I had your son
Damn thing went crazy
But I swear you're the only one Come along, Billy, come to me
Come along, Billy, come to me
Come along, Billy, come to me
Come along, Billy, come to me Come along, Billy, come to
Come along, Billy, come to
Come along, Billy, come to
Come along, and come to me
