

Gypsy Space Muffin

Super Furry Animals

So here it is, no such beat
First give up and say bad reality
Merry cop, what's my rights
I can help if you read or write Crack down on crime
Pay my fine on time
Crack down on crime
Pay my fine on time The regime they sound so mean
It's the same check my I.D.
Joyous ruse my lawyers grieve
Like Mark and Marsha we work like a team Crack down on crime
I pay my fine on time, singing
Crack down on crime
I pay my fine on time Being drunk and reveling
If I can feel it I'm sure to lose 'Cause we are
Law breakers
'Cause we are
Music makers Law breakers
Music makers
Law breakers
Home owners Music makers
We are law breakers
We are home owners
Law breakers
