

Landslide

Fleetwood Mac

I took my love and I took it down
Climbed a mountain and I turned around
And I saw my reflection in the snow covered hills
Till the landslide brought me down Oh, mirror in the sky, what is love?
Can the child within my heart rise above?
And can I sail through the changing ocean tides
Can I handle the seasons of my life?
Oh oh I don't know, oh I don't know Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older
And I'm getting older too Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older
I'm getting older too
Oh I'm getting older too Oh, take my love, take it down
Climb a mountain and turn around
And if you see my reflection in the snow covered hills
Well the landslide will bring you down, down
And if you see my reflection in the snow covered hills Well maybe the landslide will bring you down
Well well, the landslide will bring you down
