Comatose

Pearl Jam

Consider me an object Put me in a vacuum Free of all conditions

Free of air and frictionYea, I'll be hanging upside down.

And there I will swing

For all eternityFell it rising, yea next stop falling Feel it rising, comatose, with no fear of fallingConsider me an abscess

Leave me in my vacuum

Blood on all the pistons

Running my transmissionFeel it rising, yea next stop falling Feel it rising, comatose, with no fear of fallingFeel it rising, yeah next stop falling Feel It risingHigh above I'll break the law,

if it's illegal to be in love,

leave the hatred, on the crossyea I'll be hanging upside down and here I will swing for all eternityfeel it rising, yea next stop falling feel it rising, comatose with no fear of fallingfeel it rising, yea, next stop falling

feel it risingsomething never thought you'd be part of
