Say It to Me

Sam Outlaw

I don't believe in you, but I like the way you say it
I like the way you say it to meI don't think it's true, but it sounds like you believe it
I like the way you say it to meSo say it to me
Say it to me
It might be bad news, but I like the way you break it
I like the way you say it to meYou sang out of tune, but I like the way you fake it
I like the way you sing it to me
So if you want me to, I will try my best to play it
Cause I like the way you sing it to me
So sing it to me
Sing it to me
It might be my turn, but I like the way you take it
I like the way you sing it to meI don't believe in you, but I like the way you say it
I like the way you say it to me
And if you want me to, I will try my best to play it
Cause a like the way you sing it to me
I like the way you say it to me
I like the way you say it to me
I like the way you say it to me
I like the way you say it
