

Burr Clover Blues

Muddy Waters

Well, now the reason that I love
That ol' Stovall's farm so well
Yes, now the reason that I love
That ol' Stovall's farm so well
Well, you know we have plenty money
And we never be raisin' hell

Well, we raise plenty cotton
And we are booked out with the corn
Yes, we raise plenty cotton
And we are booked out with the corn
Well, you know, we have to carry the place on
Now the main boss been here and gone
