Bulletproof

Citizen Way

(Verse 1)
I used to live like I was under attack
Dodging arrows from my past
I had no hope for tomorrow
Felt too much pressure
Yes, I thought I would crack
But now there's no looking back
I'm moving forward cuz' I knowI got my armor now
No fear, no doubt can shoot me down, yea
I got my armor now
No fear no doubt
Gonna shoot me down down down down down down down...(Chorus)
I'm bulletproof
Because of you, because of you
And I'm bulletproof
Because of you, because of you
Your love ain't away
Now I'm not afraid
No matter what the world may say
Or what they do
I am bulletproof
Because of you, because of you you you(Verse 2)
I know you got this whole thing under control
My soul is untouchable because you've already won me
My victory is not in this flesh and bone
It's in the cross that I know, nobody's taking it from meI got my armor now
No fear, no doubt can shoot me down, yea
I got my armor now
No fear no doubt
Gonna shoot me down down down down down down down...(Chorus)(Bridge)
And I don't have to fear no more, worry no more (4x)(Chorus)
(Bridge 4x)
