I'm That Nigga Now

Lil Snupe

Look, everybody know bout the dude
They know that I'm the hottest dude
They ain't seen a nigga kill the game like this ever since that Christopher Wallace dude
Tell yo bitch that I'm that nigga now
Tell yo bitch that I'm that nigga now
Tell yo bitch that I'm that nigga now
Tell yo bitch that I'm that nigga now()
Yo bitch say she wanna get the dick tonight
I'm the nigga she wanna be with tonight
Show up, finna fuck er to some Kevin Gates
And make the bitch scream my satellite
Satellite, satellite, satellite
Never really made love but she gon get it right
Emotions probably still in hurt, she can stay the night
But her friends all call us crazy, they don't give us good advice
'Cause I'm that nigga now, she know I'mma dick er down
Put er in that whip with me, show er how we whip around
Been the king of my city, bitch you see my fuckin crown
Young nigga who getting money, don't fuck with the fuck around
Diamonds on my neck, diamonds on my wrist
Just look at my clique, I get yo bitch all on my dick
Bitch I'm getting money, you know just how I'm comin
Got the food up on my back, these niggas know I fuckin run it
I'm that nigga, bitch.
