

# So Fine

## Guns N' Roses

How could she look so fine?  
How could it be she might be mine?  
How could she be so cool?  
I've been taken for a fool so many times It's a story of a man who works as hard as he can  
Just to be a man who stands on his own  
But the book always burns as the story takes it turn  
And leaves a broken man How could she be so cool?  
How could she be so fine?  
I owe a favor to a friend  
My friends they always come through for me, yeah It's a story of a man who works as hard as he can  
Just to be a man who stands on his own  
But the book always burns as the story takes it turn  
And leaves a broken man  
If you could only live my life  
You could see the difference you make to me, to me I'd look right up at night  
And all I'd see was darkness  
Now I see the stars alright  
I wanna reach right up and grab one for you When the lights went down in your house  
Yeah that made me happy  
The sweat I make for you  
Yeah, I think you know where that comes from, guitar come on Well I'd look right up at night  
And all I'd see was darkness  
Now I see the stars alright  
I wanna reach right up and grab one for you When the lights went down in your house  
Yeah that made me happy  
The sweat I make for you  
I think you know where that comes from How could she look so good, so good?  
How could she be so fine?  
How could she be so cool?  
How could it be she might be mine?
