Mission Impossible

Sedrew Price

[Verse 1]Girl, I know it's hard to swallow that I'm always on the go...
Leaving you home alone
Nobody to kiss
Nobody to hold
And I know that at times it seems you are in love all by yourself
You may think that I, I don't care
But I hear your heart crying for help
So let me apologize...[Pre-Chorus](For unanswered phone calls)
So let me apologize...
(Not checking on you)
Oh, let me apologize...
(Staying out till the club close, girl)
I wanna make it up to you[Chorus:]'cause I'm on a mission to give you the love you've been missing (Love you've been missing)
Girl, I want you (Yeah)
I know it gets crazy, but please don't give up on me baby (I know it gets crazy, up on me baby)
Girl, I need you (yeah)
And I won't stop... (won't stop) (I won't stop)
Won't stop loving you.
I won't stop... (won't stop) (I won't stop)
Stop loving you.
I won't stop... (won't stop) (I won't stop)
Won't stop loving you.
So don't stop... (don't stop) (So don't stop loving me)
Don't stop loving me.[Verse 2]Remember when we first met, girl it felt so natural and true
Now you're saying that you wanna leave me
But I'll never get over you
I can't explain how glad I am to have you as my girl
Anything that you want, babygirl just ask
I'll do my best to give you the world, I apologize...[Pre-Chorus](For unanswered phone calls)
Hey, can I apologize?
(Not checking on you)
And I apologize...
(Staying out till the club close, girl)
I wanna make it up to you, yeah[Chorus:]'cause I'm on a mission to give you the love you've been missing (I'm on a mission)
Girl, I want you (Love you've been missing)
I know it gets crazy, but please don't give up on me baby (Crazy, I mean it don't give up on me baby)
Girl, I need you

And I won't stop... (won't stop) (Won't stop)
Won't stop loving you
I won't stop... (won't stop) (I can't stop)
Stop loving you.
I won't stop... (won't stop) (I won't stop)
Won't stop loving you.
So don't stop... (don't stop) (Don't, girl I'm on)
Don't stop loving me'cause I'm on a mission to give you the love you've been missing (I'm on a mission baby)
Girl, I want you (I'm gonna give you the love you've been looking for)
