Wishing Well

Morphine

I move smooth, underwater.
I know my way around.
Everybody knows me,
I grew up in this town.I got one million,
Two million,
I can't remember how many million,
Millions.
And I'm exactly where I want to be right now,Ohh yeah.
Mhmm.
I got a callback from the wishing well.
Ohh yeah.
Alll right.
I got a callback from the wishing well.I don't even have to shoot,
Don't even have to aim,
I just smile, deal me in.I got one million,
Two million, uh-huh,
I can't remember how many million,
Millions, I tell ya.
I'm exactly where I want to be right now,Alll right.
Ohh-kay.
I got a callback from the wishing well.
Oh!I move smooth, underwater.
Crisp like a waterfall.
Smooth, underwater.
I know my way around.See, I got one million,
Two million,
I can't remember how many million,
Millions.
And I'm exactly where I want to be right now,Alll right.
Alll right.
I got a callback from the wishing well.
Awwh yeah.
Ohhh!
I got a callback from the wishing well.
