Cover Me

Clarion

Leave me
In your hot car
Suffocate
Just from your charm
Blood trickling
Right down my spine
My fickle babe
I see no harm
Baby stay
Feed me love
Suffocate
Watch my life
Slip away
Feed me love
Cover me
Watch me
Help me
Iâ€™m growing thin
Keep slaughtering
My blissful side
Iâ€™ll take it in
If you feel joy
Baby stay
Feed me love
Suffocate
Watch my life
Slip away
Feed me love
Cover me
Why canâ€™t I
Walk away
Why do i
Always stay
Homicide
Cover me
Feed me love
Suffocate
Watch me
Feed me love

Feed me love
Feed me love
Feed me love
Feed me love
Feed me love
