Zoobreak

Kid Indigo

Zoo creepin' on you
It's true I'm creepin' on youZoobreak
Let all the animals out, 'cause that's all that I can take
I'm havin' a zoobreakI'm bustin' out
I'm lettin' everyone free
Come on down with me
We're gettin' little crazyIt's gunna be great zoobreak
It's gunna be great, zoobreakIt's gunna be great, zoobreak
It's gunna be great, zoobreak
I'm gunna let all the Lions go
I'm gunna let all the giraffes know
I'm gunna let all the chimps roam
I'm gunna let everyone goIt's a Zoobreak
Gunna set fire to the zoocreeper's
To the zoocreeper's house, no doubtZoobreak, I've had all that I can take
Gettin' kinda tired of all this heartbreak
Can't really handle this much ache
Can't really handle this much takeSo give me your keys please run freeI'm lettin' everyone free
I'm lettin' everything run free
I'm lettin' everything run freeWhy don't you let me
So happy, downright slappy
It's gunna be great, zoobreak
It's gunna be so great, zoobreakLettin' all the animals free
I'm lettin' everyone come with me
Lettin' everyone run freeLettin' all the animals out
