Love Story

Andy Williams

Where do I begin to tell the story
Of how great a love can be
The sweet love story that is older than the sea
The simple truth about the love she brings to me
Where do I startWith her first hello
She gave new meaning to this empty world of mine
They'll never be another love another time
She came into my life and made the living fine
She fills my heart
She fills my heart with very special things
With angel songs
With wild imaginings
She fills my soul with so much love
That any where I go I'm never lonely
With her around who could be lonelyI reach for her hand
It's always there
How long does it last
Can love be measured by the hours in a day
I have no answers now
But this much I can say
I know I'll need her until the stars all burn away
And she'll be there
How long does it last
Can love be measured by the hours in a day
I have no answers now
But this much I can say
I know I'll need her until the stars all burn away
And she'll be there
