I'll Sing It

Tweedy

This day is a trip for you
I'll sing it if you like
In time we'll get closer
We're never getting closer

This day is a trip for you
I'll sing it if you like
We're never getting closer
We're never getting closer

I'll sing it to you, I'll sing it to you

Let me tell you what I'll do
I could sing it if you like
Forever getting closer
I'm never getting closer

I'll sing it to you, I'll sing it to you
