

Love Reign Down (feat. Zakk Wylde)

Black Label Society

All that you want, and all that you need
Don't bother asking, just come to me
I know I'll see you, I'll see you again
Just keep on talking, listen when you can Love reign down on me
Love reign down on me
Love reign down on me
Love reign down on me
Oh, down on me It's something you find, yeah, you'll never lose
A feeling so fine now, just thinking of you
Take your time son, take it slow
Sooner or later, you'll get where you gotta go Love reign down on me
Love reign down on me
Love reign down on me
Love reign down on me
Oh, down on me
