Heart

Britney Spears

Heart,
I know i've been hard on you.
I'm sorry for the things I put you through.
Before you start to break on me,
Or ask for sympathy I need to make you see.
Oh, heart
I'm not sure its been long enough
to say that what I feel is really love
There is just one way to learn
Sometimes we'll get hurt
and right now its our turn.
Give it time, help me through.
Heart, we can do this together.
Your my strength, your my soul.
I need you now more then ever
Heart,

all the hurt will soon be gone,
if you'll just keep on being strong.
You will always be my friend
So keep on hanging on
and we'll find love again
Give it time, help me through.
Heart, we can do this together
Your my strength, your my soul.
I need you now more then ever
Heart
I know i've been hard on you
I'm sorry for the things I put you through
Please don't you break on me
I need to make you see, it wasn't meant to be
'Cause you will always be my friend
So keep on hanging on,
and we'll find love again.
