# Dick

## Unit:187

Don't say a word
Your love is like a symphony
Brave as you dare
It's nothing but your game
I'll take off your shoes
To pull you up in extasy
Hide and to lose
That's why I'll force you to
Move back a step (step)
Go back a step
Comon' you shout
(3x)
Move back a step (step)
Move your head like that
Dick!!!!!!!! oh dick!!!!!!!
Gotta go

Dick!!!!!!!! yeah yeah come!
Now it's time to live your fantasies
(yeah yeah)
And you know we have a new concept
To turn the kind of lust in penalty
Just look what I do
Move back a step (step)
Go back a step
Comon' you shout
(3x)
Move back a step (step)
Move your head like that
Dick!!!!!!!! oh dick!!!!!!!
Gotta go
Dick!!!!!!!! yeah yeah come!
