## Slipknot

I don't like a fuckin' thing! music sucks dick  
Suck the snot end off the tip of my prick  
You fucking cunts, get up off of my back  
I don't wanna do a show with your shitty  
Fuckin' band, you suck, they suck, guess what, get fucked  
I can't think of any other words to say but fuck  
Don't drag our opinions, our opinions are great  
It's new school face motherfucker I hate Local bands (suck these nuts)  
U.s. bands (suck these nuts)  
Worldwide bands (suck these nuts)  
All you bands can suck these fuckin' nuts!  
Go! Don't berate me, cause you can't stop me  
From breakin' your face, it's you I'll erase  
It's hate, motherfucker, hate, motherfucker, hate Local bands (suck these nuts)  
U.s. bands (suck these nuts)  
Worldwide bands (suck these nuts)  
All you bands can suck these fuckin' nuts!  
Go! Life's so shitty, but ain't it fuckin' great?  
Life's so shitty, but ain't it fuckin' great?  
Life's so shitty, but ain't it fuckin' great?  
Life's so shitty, but ain't it fuckin' great? [repeat: x26]  
Get this or die! Local bands (suck these nuts)  
U.s. bands (suck these nuts)  
Worldwide bands (suck these nuts)  
All you bands can suck these fuckin' nuts!
