

# One Track Mind

## The Knickerbockers

(Keith Colley - Linda Colley)

Verse 1:

There's no denyin' I've been cryin', yeah, without her  
Somebody help me please, I can't forget about her

[Chorus 1:]

I've got a one track mind  
Maybe I'm a stubborn fool  
Somebody please  
Tell me what to do [4: Waaaaahhh!]

[Verse 2:]

Don't try to tell me some girl will be taking her place  
I close my eyes and all I visualize is her face

[Chorus 2:]

I've got a one-track mind  
I won't believe that girl is gone  
Somebody please  
Tell me I'm not wrong

[Bridge:]

I can see her by my side  
But the more I stare  
Makes me want to run and hide  
When I find she's not there

[repeat chorus 2]

[repeat verse 1]

[repeat chorus 1]

[Coda:]

I got a one track mind  
One track mind
