

Someday Baby

[Gary Moore](#)

Don't care how long you go, I don't care how long you stay
It's good kind treatment bring you home someday
Someday baby, you ain't gonna trouble poor me anymore Now you keep on bettin' that the dice won't pass
Well I know, and I know, whoa, oh you're livin' too fast
Someday baby, you ain't gonna trouble poor me anymore Yeah, I'll tell everybody in my neighborhood
You're a kind little woman but you don't do me no good
But someday baby, you ain't gonna trouble poor me anymore I know you're leaving, if you call that gone
Oh without my lovin' yeah, oh, you can't stay long
But someday baby, you ain't gonna trouble poor me anymore
