

# Bodies Electric (Nightcore Version)

[Ashley Jana](#)

I lost my way  
Crashed down in flames  
Couldn't see the stars  
Above meSeemed like concrete  
was holding my feet  
Cause I forgot  
You love meThen Venus rising  
Fill the sky with diamonds  
See the sun in my eyesWe are bodies electric  
Bodies electric  
Lighting up the dark  
oh oh ohWe are bodies electric  
Bodies electric  
touching heart to heart  
oh oh ohWonders of this world lie  
underneath then inside  
so let em call me crazy  
Cause this life does amaze meIt leaves me breathless  
our love is endless  
throw me open wideWe are bodies electric  
Bodies electric  
Lighting up the dark  
oh oh ohWe are bodies electric  
Bodies electric  
Touching heart to heart  
oh oh ohNo one has to be afraid  
No one has to be aloneFearlessly we're gonna fly  
into the great unknownNo one has to hide away  
Shy away, cry away  
their lifeCause tonight  
We are the lightWe are bodies electric  
bodies electric  
lighting up the dark  
We are bodies electric  
Bodies electric  
touching heart to heart (x2)  
oh oh oh oh oh
