# Five Nights at Freddy's (Instrumental Mix)

## The Living Tombstone

[Verse 1]
We're waiting every night to finally roam and invite,
newcomers to play with us, for many years we've been all alone. We're forced to be still and play the same songs we've known since that day. An imposter took our life away, now we're stuck here to decay!
[End of Verse 1]
[Chorus]
Please let us get in!
Don't lock us away!
We're not like what you're thinking!
We're poor little souls,
Who have lost all control,
And we're forced here to take that role!
We've been all alone,
Stuck in our little zone,
Since 1987!
Join us, be our friend.
Or just be stuck and defend.
After all you only got
Five Nights At Freddy's...
Is this where you wanna be?
I just don't get it...
Why do you want to stay?
Five Nights At Freddy's...
[End of Chorus]
[Verse 2]
We're really quite surprised
We get to see you another night
You should have looked for another job
You should have said to this place goodbye
It's like there's so much more
Maybe you've been in this place before
We remember a face like yours
You seem acquainted with those doors
[End of Verse 2]
[Chorus]
