

# Shopping

## Barenaked Ladies

Well you know that it's going to be alright  
I think it's gonna be alright  
Everything will always be alright  
When we go shopping Well you know that it's going to be alright  
When we go shopping  
It's always la la la, shopping spree begin  
La la la, everybody wins So shut up  
And never stop  
Let's shop  
Until' we drop Well you know that it's going to be alright  
I think it's gonna be alright  
Everything will always be alright  
When we go shopping It's always la la la  
Shopping never end  
La la la, shopping with our friends  
Shopping once again It's always la la la  
It's always la la la  
It's always la la la  
It's always la la la It's never enough  
Until' you've got all the stuff  
When the going gets rough  
Just shop with somebody tough Well you know that it's going to be alright  
I think it's gonna be alright  
Everything will always be alright  
When we go shopping Well you know that it's going to be alright  
I think it's gonna be alright  
Everything will always be alright  
When we go shopping It's always la la la  
When we go shopping  
When we go shopping  
When we go shopping It's always la la la  
It's always la la la  
It's always la la la
