Shopping

Barenaked Ladies

Well you know that it's going to be alright

I think it's gonna be alright

Everything will always be alright

When we go shoppingWell you know that it's going to be alright

When we go shopping

It's always la la la, shopping spree begin

La la la, everybody winsSo shut up

And never stop

Let's shop

Until' we dropWell you know that it's going to be alright

I think it's gonna be alright

Everything will always be alright

When we go shoppingIt's always la la la

Shopping never end

La la la, shopping with our friends

Shopping once againIt's always la la la

It's always la la la

It's always la la la

It's always la la laIt's never enough

Until' you've got all the stuff

When the going gets rough

Just shop with somebody toughWell you know that it's going to be alright

I think it's gonna be alright

Everything will always be alright

When we go shopping Well you know that it's going to be alright

I think it's gonna be alright

Everything will always be alright

When we go shoppingIt's always la la la

When we go shopping

When we go shopping

When we go shoppingIt's always la la la

It's always la la la

It's always la la la
