Shawty

[Stevie Hoang](#)

You know I had to make a song for my shawty playa

This is for my shawtyyy... (yeah)
This is for my shawtyyy... (yo stevie)

[Chorus: x2]
People always breaking up
Falling in and out of love
I just wanna' let u know
Ama' never let u go
- for the rest of my life, gonna' be by your side

[Verse 1:]
Sometimes she drives me crazy
But I don't give a damn
Every time I need my baby
She'll always be around
The only one that's been down with me, through all of this time
My homies think I'm trippin'
Tell me I'm wasting my time
It's only cause' they can't
Find a girl that's hot like mine
There's no where else that I'd rather be, so ama' let the whole world know.

[Pre-chorus:]
Girl your, the only one for me
The only sex I need
No one else can make me feel, the way my baby does'
That why...

[Chorus: x2]
People always breaking up
Falling in and out of love
I just wanna' let u know
Ama' never let u go
- for the rest of my life, gonna' be by your side

[Verse 2:]
Girl you don't have to worry when I'm all up in the club
Cause' no one else will ever come between the two of us

It's crazy how u got me hooked, babe
I'm doing things I never do, babe
And every time I close my eyes, I thank the lord (that I have u)
You're everything a man could want
For the rest of my life,
And I'll put that on everything

[Chorus: x2]
People always breaking up
Falling in and out of love
I just wanna' let u know
Ama' never let u go
- for the rest of my life, gonna' be by your side

This is for my shawtyyy, girl u got my back and baby I got yours (ohh baby)

This is for my shawtyyy,
I've seen a dime' or two, but they don't compare to you.

This is for my shawtyyy,
Girl u got my back and baby I got yours

This is for my shawtyyy,
I've seen a dime' or two, but they don't compare to you.

[Chorus: x2]
People always breaking up
Falling in and out of love
I just wanna' let u know
Ama' never let u go
- for the rest of my life, gonna' be by your side
