Twilight

I'm loving this Twilight

I'm loving this Twil -la -la -la -la -la -la -la -la -la

Twilight

Baby

I've known you for a long, long time

I never thought that we would find

What were holding in our hands

Lately

I've been thinking I should make you mine

Been thinking that we should define

What we are, What we are

oh oh

And you know I love to be in control

But recently I don't know what to do

I'm losing it over you

ohhhhh

Ooh la Ooh la

When you say my name

I can feel the flame

Getting stronger

Oh let me hear you say

Ooh la Ooh la

We both feel the same

And I can't play this game any longer

Oh boy

I'm loving this Twilight

I'm loving this Twilight

I'm loving this Twil -la -la -la -la -la -la -la -la -la

Twilight

Closer

I love it when you lean in close

You Touch my heart like you don't know

And Imma show you, yeah

Imma show you now

And you know I love to be in control

But Recently I don't know what to do

I'm losing it over you

Ooh la Ooh la

When you say my name  
I can feel the flame  
Getting stronger

Oh let me hear you say  
Ooh la Ooh la  
We both feel the same  
And I can't play this game any longer

Oh boy  
I'm loving this Twilight  
I'm loving this Twilight  
I'm loving this Twil -la -la -la -la -la -la -la -la -la  
Twilight

Yeah girl,I think about you  
All of the time

I love your smile  
And the way you shine  
Wondering How

I'm gonna make you mine  
When it turns to night

I will make it right  
So many thing I've been  
waiting to say

Held in my heart  
For a day like today  
I wanna hold you till the  
light fades away

I wanna hold you till the  
light fades away  
Ooh la Ooh la

When you say my name  
I can feel the flame  
Getting stronger

Oh let me hear you say  
Ooh la Ooh la  
We both feel the same  
And I can't play this game any longer

Oh boy  
I'm loving this Twilight  
I'm loving this Twilight  
I'm loving this Twil -la -la -la -la -la -la -la -la -la  
Twilight

I'm loving this Twilight  
I'm loving this Twilight  
I'm loving this Twil -la -la -la -la -la -la -la -la -la

Twilight  
Twilight.
