Close Your Eyes (interlude)

Sisqo

{You have one message, the message was
Damn, I can't believe you did this to me again
I mean, yo, I don't even I
I really don't know what to say to you right now, I mean just stop
You say that you love me and that you wanna be with me
And that, that you're gonna marry me but I, I can't do this again
You need to, you need to promise to me that
That we not gonna have to go through this shit again
I mean, yo, I'm tired of this
I mean, I need for you to show me that you, you really wanna be with me
I just want you to love me
Let me talk to you for a minute}
