

# Let's Go Crazy

## Prince & The Revolution

Dearly beloved we are gathered here today  
To get through this thing called life, electric word life  
That means forever and that's a mighty long time  
But I'm here to tell you there's something else, the afterworld  
A world of never ending happiness  
You can always see the sun, day or night  
So when you call up that shrink in Beverly Hills  
You know the one, Dr. Everything'll be alright  
Instead of asking him how much of your time is left  
Ask him how much of your mind, baby  
'Cause in this life things are much harder than in the afterworld  
In this life you're on your own  
And if the elevator tries to bring you down  
Go crazy, punch a higher floor  
If you don't like the world you're living in  
Take a look around you, at least you got friends  
You see I called my old lady for a friendly word  
She picked up the phone, dropped it on the floor  
Ah, ah, is all I heard  
Are we gonna let the elevator bring us down?  
Oh no, let's go, let's go crazy, let's get nuts  
Let's look for the purple banana till they put us in the truck, let's go  
We're all excited but we don't know why  
Maybe it's 'cause we're all gonna die  
And when we do, yeah what's it all for?  
You better live now before the grim reaper comes knocking on your door  
Tell me, are we gonna let the elevator bring us down?  
Oh, no let's go, let's go crazy, let's get nuts  
Look for the purple banana til' they put us in the truck, let's go  
C'mon baby, let's get nuts, yeah let's go crazy  
Are we gonna let the elevator bring us down?  
Oh no, let's go, go crazy, let's go crazy  
Let's go, let's go, let's go  
Dr. Everything'll be alright  
Gonna make everything go wrong  
Pills and thrills and daffodils will kill  
Hang tough children, he's come, he's come, he's come  
Take me away
