Children (BBC In Concert)

Emf

Children, I know
You deserve, more than this world could ever give
Children, I know
You deserve, more than this world could ever giveHold on, take your life
Hold on to each reality
They seem so far from you
But really they're close to youYou've got to break each precious dream
Until it breaks you heart in two
Build your life until you find
What's right for youChildren, I know
You deserve, more than this world could ever giveDon't let them take it all
'Cause you know they want to take it all
They seem so far from you
But really they're close to youYou've got to break each precious dream
Until it breaks your heart in two
Build your life, until you find
What's right for youChildren, I know
You deserve more than this world could ever give
Children, I know
You deserve, more than this world could ever giveLong live the new flesh
Long live the new flesh
Long live the new fleshDon't let them take it all
'Cause you know they want to take it all
They seem so far from you
But really they're close to youYou've got to break each precious dream
Until it breaks your heart in two
Build your life, until you find
What's right for youLong live the new fleshChildren, I know
You deserve more than this world could ever give
Children, I know
You deserve, more than this world could ever giveChildren, I know
Children, I know
Children, I know
You deserve more than this world could ever give
