

Children (BBC In Concert)

Emf

Children, I know
You deserve, more than this world could ever give
Children, I know
You deserve, more than this world could ever give
Hold on, take your life
Hold on to each reality
They seem so far from you
But really they're close to you
You've got to break each precious dream
Until it breaks your heart in two
Build your life until you find
What's right for you
Children, I know
You deserve, more than this world could ever give
Don't let them take it all
'Cause you know they want to take it all
They seem so far from you
But really they're close to you
You've got to break each precious dream
Until it breaks your heart in two
Build your life, until you find
What's right for you
Children, I know
You deserve more than this world could ever give
Children, I know
You deserve, more than this world could ever give
Long live the new flesh
Long live the new flesh
Long live the new flesh
Don't let them take it all
'Cause you know they want to take it all
They seem so far from you
But really they're close to you
You've got to break each precious dream
Until it breaks your heart in two
Build your life, until you find
What's right for you
Long live the new flesh
Children, I know
You deserve more than this world could ever give
Children, I know
You deserve, more than this world could ever give
Children, I know
Children, I know
You deserve more than this world could ever give
